Dear Community Member,

It's time for Faith Lutheran School's Annual Pumpkin Patch of Support, and we invite you to be a part of it! In the past, our lawn has been a captivating sight thanks to generous donors who share our belief in the value of Christian education in our community.

Since our establishment in 1972, Faith Lutheran School has remained steadfast in its mission to provide a safe, Christ-centered education from preschool through 8th grade. Your support is instrumental in helping us equip our students with the tools they need to prepare for their future. Last year's donations allowed us to complete new classroom space in the now finished elementary building and create a new classroom for library and art, music and nutrition!

As we enter the fourth year of this campaign, we hope for your support. Personalized signs will line our Baltimore Street frontage from October 6th to November 10th, representing your contribution. We offer four pumpkin sizes: 12"x18" for \$100, 18"x24" for \$250, 24"x36" for \$500, and a "Great Big" pumpkin supporter at 36" x 48" for \$1,000, all fully tax-deductible. New donor signs will be ordered promptly upon receipt by the school, proudly displaying your support.

Thank you for considering our request. If you wish to participate, please find the attached order form for more details.

Sincerely, Marty Archer (School Director) Tabitha Cleaver and Robin Harden (Pumpkin Patch Fundraiser Coordinators)
